

Adel Ministerial Association (AMA) Emergency Fund

The Adel Ministerial Association represents churches in the Adel area. It has a designated emergency fund to be used as a shared resource to help individuals living in and traveling through our communities.

This fund is intended to help those with immediate needs. ***Clients may access these funds no more than once within a 3-month time period.*** This is in order to insure funds are available to as many as possible in need.

These funds are raised with the support of local churches and community members.

Guidelines:

Funds are distributed in gift cards and/or checks to a company. Amounts are according to guidelines and at the discretion of the AMA Emergency Fund “on call” volunteer. **Cash is never given.**

The contact number is **515-978-1822**. (Your call should be returned within two business days.)

Copies of our policies are available on member church’s websites.

Thank you for respecting the guidelines of this fund.

God bless you on your life’s journey.

-- The Adel Ministerial Association

Current members of the Adel Ministerial Association (All churches in this geographical area are welcome to participate.)

Adel United Methodist Church
