

**GOOD SAMARITAN
FOOD PANTRY**

SERVING OUR NEIGHBORS SINCE 1982

The Good Samaritan Food Pantry, located in Adel, serves the residents of the ADM School District, the Van Meter School District, and anyone with a Redfield, Dexter or Linden address.

Did you know:

... 1 in 9 lowans (about 300,000 people) do not have consistent access to adequate nutrition needed for a healthy life.

... 1/3 of those hungry lowans are children.

... Children in households that are food insecure are apt to be more sick and have difficulty concentrating and performing in school.

...The pantry gives out over 4000 items of food each month.

... The pantry provides weekend meals for students K-12 during the school year.

With food prices increasing coupled with more and more people in Dallas County with food insecurities, please prayerfully consider giving either monetarily or via a food donation:

- [Donate by PayPal, Debit or Credit Card, Venmo*](#) or through your Church Offering (designate “Food Pantry” on your offering envelope).
*Venmo – Good Samaritan Food Pantry @adelfoodpantry
- [Donate supplies](#) either at the pantry or the drop off bucket at the church.
